## Getting Back to (a new) Normal

So where are we now....coping with Covid?

At Heritage we are....beginning to look at turning the corner to (eventually) getting back to a 'new normal'. Honestly though, only God knows when...that will be!

Some good news:

- Thanks to a PPE grant...(\$1,500 for our church from the government; THANK YOU Bruce Snyder and Sue Nelson for making this happen!)...we have purchased lots of hand sanitizer, stands for the sanitizer dispensers, masks, even some gloves and cleaning solutions... When we are back in the sanctuary you will see evidence of these enhancements to our health....in front and back (and pretty much all over the building)!
- Our congregation has largely escaped (not totally...but mostly) being directly affected by the virus.... As soon as you feel comfortable.... **please get the vaccine**. And here's a tip to sign up for that; go to this website....  
<http://covid19.lincoln.ne.gov/>  
....and it's easy peasy. Honest, it's simple; it'll probably take you less than two minutes. (This gets you in line; they will contact you later when your time comes!) Some good news here, four of our folks (all elders who happen to be First Responders) have all received their two shots. So we've got a start. *Yay!*
- Continue to be tested. And, if you've not done this lately, this is SO easy; incredibly easy! (I've been tested four times but, this last time I went online, there was a test time ready for me in thirty minutes....and they sent me results online that afternoon, two hours later!) Do what you need to, please; we want you and your church friends to be and feel safe!... And then, once we open back up...as soon as you feel comfortable please feel free to return to live, in person worship.
- The 'reopening the church after covid sub-committee' will meet (sometime.... before April is my guess?) to talk about what we will do/how we will plan details to come back to live worship. (I'm certain that both testing and vaccinations will be part of that....and continuing to take precautions!)

The truth is, Beloved....God's light shines in the darkness. And come heck or high water, come covid or vaccine, no matter what and no matter when....the darkness has not overcome it. And will not. Ever!

The time will come, the time is coming when we can say:

Welcome back...to us.

Let the loving continue...

And the catching up begin!

In God's grip, Jeff

## REACH OUT TO OUR CHURCH FAMILY

During this time of social isolation, please take a few minutes to call members of our church family who are self-isolating to protect their health. Or send a card to let them know that someone is thinking of them. Together we will get through this pandemic!

## ONE GREAT HOUR OF SHARING

*"You shall be called repairers of the breach" (Isaiah 58)*

Please join churches around the world in donating to the One Great Hour of Sharing. Past donations have been used for:

- Assistance following catastrophic floods and hurricanes in the USA through the PDA (Presbyterian Disaster Assistance)
- Relief projects in South Sudan following years of famine and violence
- Built a seed bank to share seeds and aid in recovery from disasters or diseases affecting crops in Myanmar.

With our support, OHGS will continue to be a reminder that through the simple act of sharing, we are blessed and experience God's abundance in surprising ways. Please help us reach our \$600.00 goal to support the PDA for all that is done during natural disasters!

Please feel free to mail your donation to the church office during this time of "social distancing" – just be sure to write OGHS on your check.
