

THE HERALD

From the Pastor:

May 2017

The church relies on volunteers to be able to carry out its mission and ministry. There are many various activities that are performed by volunteers. These include Sunday School teachers and our youth group sponsors, people who sing in our choir, participate in the bell choir, operate the sound system and the projector during worship, and coordinate decorating the church with Easter lilies and poinsettias. We need ushers and liturgists for worship. There are those who prepare communion, serve communion, and those who tidy the sanctuary each week. People serve on committees, pull out weeds, plant flowers, and trim the shrubs. We have volunteers who fold the newsletters and bulletins, create and maintain our website, replace light bulbs and do light maintenance. There are those who prepare the coffee and host the coffee corner each Sunday, and help with potlucks and other dinners in the kitchen. One volunteer comes in weekly to change the sign board message and to gather the recycles. We have people who visit our shut-ins, coordinate our prayer chain, and provide transportation for worship and other events. We need people to count the offerings and do the bookkeeping.

I am intentionally trying to include many of the tasks to give you some idea of the vast number of things that are done in our church by volunteers. I am sure I missed some of the tasks done by volunteers, and I apologize if I missed one you are doing. If we had no volunteers, we could not even begin to be in ministry and mission! Can you imagine what it would cost us if we had to pay each of our volunteers? Again, we could not even begin to be in ministry and mission. I truly appreciate the work that each of you do for the church, no matter how big or little it may seem to you.

The church is the body of Christ, and this means that all the members and participants of the church are important and play their part. There are no tasks that are more important or less needed than others. Paul wrote about this in his First Letter to the Corinthians, and his imagery is almost comical. He compared the body of Christ to the human body and no part of the body can think other parts are not necessary or needed. Parts of the body cannot say to another part of the body, "We don't need you," nor can the foot say, "Because I am not an ear, the body does not need me." (Read 1 Corinthians 12.) The body of Christ, the church, needs each member, with each member doing their part.

Volunteerism is a part of our stewardship. We are to be stewards of both our possessions and our time. We need your financial contributions to pay our bills. When we receive a bill from Lincoln Electric System or the insurance company, we cannot reply by saying we had a total of 120 hours of volunteer time given to the church last week and ask that those volunteer hours pay the bill! Volunteerism is one part of our stewardship.

If you would like to volunteer, please let the church office know!

Have you thought about including heritage church in your estate planning?

On April 17, we received a check of \$20,000 from the estate of Marion Kantner, a long-time member of Heritage Church. This represents part of the proceeds Heritage will be receiving from her estate. We will be receiving more in the future, but do not know what the total will be. These funds will be placed in our Endowment Fund. We will keep you informed as we receive the funds. Her estate plan will go a long way to keep the mission and ministry of Heritage Church going for years to come.

ONE GREAT HOUR OF SHARING

Thank you to all who joined with millions of other

Christians through One Great Hour of Sharing to share God's love with people experiencing need. Together, our gifts will:

- assist Presbyterian Disaster Assistance to work within communities as they recover and find hope after the devastation of natural or human-caused disasters;
- help the Presbyterian Hunger Program take action to alleviate hunger and its systemic causes, and helps create access to healthy food for entire communities; and
- allow the Self-Development of People to partner with people and communities with tools for development and education to alleviate poverty, oppression, and injustice.
- Heritage will be forwarding \$535.00 to our national church for this offering. We did not meet our goal of \$600.00, but we give our heartfelt thanks to all who gave!

Hopefully, we have included something for everybody! At the end of the summer, turn in your card for a chance to win a prize. The more BINGO's you have the better your chances!

SPECIAL OFFERINGS
PENTECOST

INVESTING IN OUR GREATEST RESOURCE

The Pentecost Offering is all about helping young people begin life with a strong start – a solid foundation of faith formed in the first third of life, from childhood through young adulthood. Gifts to the Pentecost Offering unite young people in Christ and inspire them to share their faith, ideas, and unique gifts with the church and the world. This offering will be received until Pentecost Sunday on June 4. Forty percent of this offering can be directed by individual congregations to youth programs in their church or community. This year the mission committee has chosen to direct this portion to the Heritage DUC's so that they can continue to provide activities to the youth of our church. Please use the enclosed Pentecost offering envelope for your donations to this special offering.

Heartfelt THANKS TO OUR VOLUNTEERS!

VOLUNTEER ROCOGNITION LUNCHEON

The 2017 Heritage Session would like to invite you to join us for a Volunteer Recognition Luncheon following worship and the congregational meeting on May 7. We want to thank everyone who has helped make Heritage the special place that it is!

THE EASTER EGG HUNT WAS A HUGE SUCCESS!

Thanks to our DUCs and all who helped with this year's Easter Egg Hunt.
